## City of Madison Lake **ANNEXATION**

Several segments of watermain and forcemain have been bored along 615<sup>th</sup> Lane, within the Wheaton field, and connecting Doran Court with Krason Drive.

### CIC Area

Holtmeier Construction has elected to postpone the start of construction and is tentatively scheduled to begin work in a few weeks.

### Nutmeg, Krason, Wheaton, & Clydette Areas

RL Larson is still tentatively scheduled to begin their open-cut utility work towards the end of August or early September.

Throughout construction, you may notice any number of stakes. Please do not tamper with these stakes.

The Contractors would like to remind property owners that all projected schedules are tentative and subject to change.

If you have any questions about your services, we encourage you to contact our Construction Field Representative, Shaun Mickelson. Shaun's contact information is listed to the right.

**If you have not yet done so, please return your executed temporary easement document to City Hall or ISG.**

### Project Summary

#### Construction Summary

- Sanitary sewer construction
- Watermain construction
- Street and Roadway Improvements
- Individual Service Line Installation and Connections
- Septic Tank Abandonment
- Final lift of bituminous surface by June 30, 2015
