

2016 Street & Utility Improvements

City of Madison Lake

October 13, 2016

Construction schedule update as follows:

- Remaining Bituminous paving is scheduled for Friday, October 14th.
- Sodding is scheduled to begin next week and should take about a week to complete.

Parking is not allowed on the streets from 7AM-6PM next week. This will allow sod crews access to boulevards. Parked cars will be towed if necessary.

Road Closed signs will remain in place until sodding crews are finished and stop signs are installed.

SAFETY

We urge everyone to use caution around the work site. **Parents please remind children to stay clear of the work area and heavy equipment.**

Your patience and cooperation are appreciated!

Project Summary

Project Area:

- 4th St & 5th St from Lakeshore Dr to Spruce Ave.
- Spruce Ave from Main St to 1st St (CSAH 26)
- Chestnut Ave from Main St to 4th St
- Watermain loops along Point Ave and 1st St
- Alleys between Main St and 5th St north of State Highway 60

Construction Summary

- Sanitary Sewer, storm drain and watermain reconstruction
- Street and roadway improvements
- Individual service line installation and connections at property line
- Watermain loop construction

Construction Schedule

- The final lift of bituminous surface on the roadway will likely be completed in spring of 2017
