

2016 Street & Utility Improvements

City of Madison Lake

April 27, 2017

Construction schedule update as follows:

- Contractor intends on mobilizing within the next week or two to finish up the project. Work will include:
 - Final grading of the alleys
 - Pavement repairs
 - Reseeding and topsoil filling of topsoil in low areas
 - Paving of final asphalt lift (expected to be June)
 - Pavement markings (expected to be June)
- Residents are reminded that seeded and sodded areas should not be mowed to a height of less than three inches
- Property owners are also reminded that City ordinance requires that sump pumps be permanently connected to the City storm drain system if it is available adjacent to the property. All properties on the project were provided a subdrain service stub to which they can connect.

Your patience and cooperation are appreciated!

Project Summary

Project Area:

- 4th St & 5th St from Lakeshore Dr to Spruce Ave.
- Spruce Ave from Main St to 1st St (CSAH 26)
- Chestnut Ave from Main St to 4th St
- Watermain loops along Point Ave and 1st St
- Alleys between Main St and 5th St north of State Highway 60

Construction Summary

- Sanitary Sewer, storm drain and watermain reconstruction
- Street and roadway improvements
- Individual service line installation and connections at property line
- Watermain loop construction

Construction Schedule

- The final lift of bituminous surface on the roadway will likely be completed in spring of 2017
