IMPORTANT INFORMATION TO KNOW:

BUILDING PERMITS:

According to State Statute, no building or structure regulated by the state building code shall be erected, constructed, enlarged, altered, repaired, moved, improved, removed, converted, or demolished unless a separate permit for each building or structure has **first** been obtained from the building official. Permit applications are available at the City Clerk's Office. If you have questions on whether your project will require a permit, please call the Building Inspector at 1-877-333-5620 or City Hall. Any work started without first obtaining the proper permit will be subject to double fees. The purpose of the building permits is to ensure that the work being done is done properly and in accordance with State Code and also for your safety and protection. Twenty-four-hour notice required for all inspections, please call 1-877-333-5620 to set up inspection times.

ZONING PERMITS:

Zoning permits are required for lakeshore alterations, replacing sidewalks or driveways, sheds (under 200 sq ft), landscaping, signs, fencing, etc. Please contact City Hall for more information.

SPRING/FALL CLEAN UP AND COMPOST FACILITIES:

The city holds a spring and fall clean-up day each year. Communication is posted within a month of the event. We also have a compost site facility that is open seasonally to the residents of Madison Lake. The compost site, located at 61550 230th St, is used for grass clippings, leaves, and garden waste only. **NO GARBAGE IS ALLOWED!** We also have a secondary site located at 22603 Nectar Rd that is available by appointment during business hours. This location is for brush and branches no larger than 12" in diameter. Contact City Hall for more information about these services.

WATER/SEWER/GARBAGE BILLS:

Water bills and meter readings are **due by the 15th** of each month. Bills may be paid online by e-check or credit card (Visa, MasterCard & Discover), by mail, or at City Hall. There is a payment drop box in front of City Hall for

your convenience. If the bill remains unpaid after that specified date, a non-read meter charge and a late fee will be assessed. If payment has not been received after two months, a disconnection notice is sent stating that the balance must be paid within 14 days, or the service will be disconnected. If service is disconnected, the total amount owed plus a \$40 disconnect and a \$40 reconnect fee must be paid in full for service to be reconnected. **Please notify City Hall when you sell your residence/property. The city will need to do a final meter reading.**

GARBAGE & RECYCLING:

LJP is the refuse hauler contracted by the City of Madison Lake. Garbage and recycling receptacles are picked up every Tuesday. Please be sure to have your bins out at the curb by 7:00 a.m. as the collection route begins at that time.
